

Student Legal Services 2012-13

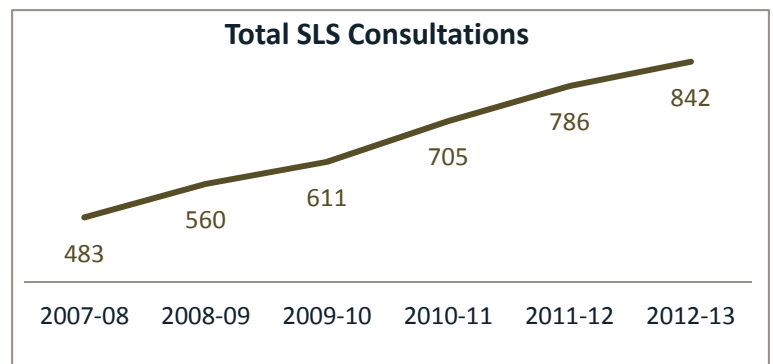

Overview

The Student Legal Services (“SLS”) **mission** is to support student retention by improving students’ ability to stay in school via high-quality counseling and assistance with their legal issues. SLS offers the following services:

- **Legal Consultations:** Free and confidential 30-minute consultations for currently registered students offering advice and guidance related to their legal questions, rights, and obligations. Areas of law include landlord/tenant, criminal, credit and collection matters, auto and health insurance claims, accidents and personal injury, consumer fraud, technology and privacy issues, general contract law, small claims actions, traffic and alcohol citations, basic estate planning, and family law. SLS does not represent students, but assists in the preparation and review of letters, legal documents, and court filings. SLS provides referrals to outside counsel or other third-party resources as appropriate.
- **Tip Sheets and Forms:** SLS offers a set of tip sheets and template documents on its Web site that relate to the most common areas of legal questions for students.
- **Workshops:** SLS presents educational sessions about legal rights and obligations on various topics of interest or concern to students.
